Platforms Worked

- **Operating Systems**   :   Windows
- **Programming Skills**   :   C,C++
- **Database**   :   MySQL
- **Web Development**   :   HTML5/CSS3, JavaScript
- **App Development**   :   Android studio(Java)
- **Framework**   :   Bootstrap

Courses Undertaken

- Computer Network
- Discrete Structures
- Database Management System
- Data Structures
- Android Programming

- Theory of Computation
- Programming in C/C++
- Object-Oriented Programming
- Operating Systems
- Software Engineering

Positions of Responsibility

- **Member of CGC (Carrier Guidance cell)**   **April'2022**
  Training and placement cell, SATI

- **Member of NSS (National Service Scheme)**   **Feb' 2020**
  Social Services

- **Member of DSC_SATI (Developer student Club)**   **Sep'2020**
